

ASME International

16th International Conference on Fluidized Bed Combustion

May 13-16, 2001

Exhibit Space Application

The American Society of Mechanical Engineers (ASME) and the Council of Industrial Boiler Owners (CIBO) are proud to sponsor the 16th International Conference on Fluidized Bed Combustion in Reno, Nevada. CIBO will hold its FBC Owners Meeting in conjunction with the conference.

The conference offers the opportunity for boiler manufacturers, component suppliers, operators/owners, and design engineers to feature their services in a combined exhibit-meeting facility focused on quality interaction of participants.
